NCC cadets exposed to Nyishi culture, rural life during vibrant village visit to Megdong, Kamle

MEGDONG VILLAGE, May 07: Under the Vibrant Village Programme, NCC cadets attending the ongoing NCC camp at Jawahar Navodaya Vidyalaya Megdong, visited Megdong Village in Kamle district for an educational and culturally enriching experience. The initiative aimed to provide cadets with first-hand exposure to rural life, indigenous traditions, and the rich cultural heritage of Arunachal Pradesh.

awareness about cleanliness and civic responsibility among both cadets and villagers.

Following the cleanliness campaign, cadets interacted closely with the residents of Megdong village, most of whom belong to the Dong tribe of the Nyishi tribe. Through these interactions, cadets explored the traditions, customs, lifestyle, and

social values of the Nyishi community. Villagers shared insights into their cultural practices, traditional way of living, and their deep connection with nature and community life.

Surrounded by scenic hills, greenery, and agricultural landscapes, Megdong village presents a peaceful environment where traditional values continue to thrive alongside nature. Cadets observed how the Nyishi community preserves its cultural identity through local traditions, festivals, attire, and harmonious living with the environment. The experience allowed students to gain a deeper appreciation of indigenous heritage and the

importance of preserving tribal culture in the modern era.

The visit was conducted under the leadership of the Commanding Officer of IAP BN NCC, along with ANOs, CTO Ajay, and PI staff of NCC, who ensured smooth coordination and meaningful engagement throughout the programme.

Such initiatives play a vital role in shaping socially responsible and culturally aware youth. The visit to Megdong village was not merely an educational tour but a memorable journey of learning, interaction, and understanding—strengthening the bond between cadets and the diverse cultural heritage of India.
